BOURNEMOUTH COMPETION 30TH OCTOBER 2005

As you know we took part in the recent competition in Bournemouth and we had some very good results. I would like to say that I am extremely proud of you all and that our efforts were rewarded by taking overall second place in the competition. We came away with three gold medals won by James, Lottie and Melissa. James had an especially hard fight and was coached by Gareth Brown (Master Brown's son) who feels that James has great potential. Lottie had to fight someone who was a lot heavier and quite a bit taller than her, it took a great deal of bottle for her to go in and compete. She gave me a fright in the first round but she managed to turn it around in the second. Melissa had to fight a little demon that some of you might know as Abi and boy did she give Melissa a run for her money. Abi had a hard qualifying fight to get into the final and took a nasty blow to the knee, if it was not for that injury I think the result would have been even closer (look out Melissa). Lastly I would like to make mention to Kayleigh Broom as you all might know Kayleigh in the past has been very unlucky with results. No matter how many disappointments Kayleigh has had she always comes back fighting. Her bought in Bournemouth this weekend was absolutely terrific she might have lost by a couple of points but I feel this is the best she has ever fought and her opponent certainly took a beating I would not have liked to have been on the receiving end of a couple of points that Kayleigh scored. Keeping going Kayleigh you will get there I have no doubt in my mind. Well done to you all.

A note for parents as it is 1st November we are going over to the new monthly payment scheme. I would be obliged if you could complete the attached slip to indicate how many times you wish to train each month and I will have the standing orders for next week. For this month I would be grateful if you could please pay by either cheque or cash.

Lastly, just a reminder that the Sports Weekend with John Wright is this weekend and I would like to see all members of the team attending. This is a superb opportunity for you all to train with a top coach and learn even better techniques.
