

Tae Kwon Do

BTS Poole

Newsletter N° 7

As you are all aware this is the last week of Tae Kwon Do before the summer holidays. The class will be closing until Tuesday 31st August. However the evening classes i.e Tuesday evening at Broadstone 8.15 pm to 10.15 pm and Thursday 8 pm until 10 pm at Poole Sports Centre will carry on throughout the holidays. I would be pleased to see anyone on those evenings especially on Thursdays as a lot of juniors already attend. I have been really pleased to see the standard of the club continuing to grow and the results you have achieved over the past year. Over the summer months I will be planning which competitions we will attend and of course we will be holding our own BTS Poole competition again next year. We have been asked to attend the Poole Park Fest on Sunday 30th August and Monday 31st August (times to be confirmed) to do a demonstration and I would be pleased if you could let me know if anyone can attend on either of these days. Ideally if you could come to the Thursday evening class prior to the Fest I would be grateful. Lastly please find below the booking form for the six weeks beginning 31st August, if you could please sign the form in order that I can keep your place open with monies being paid on the first day of class. The cost will remain at £25.00 for the six week block or £4.50 per session if paid weekly.

Have a good summer holiday.
